Why Do You Want to Serve on the GASSA Board?
As a vendor and an owner in the self-storage industry, I want to make sure that both feel the association is maximizing their value and contributions.

Laurence Leopold
Southern States Bank

Why Do You Want to Serve on the GASSA Board?
I have been an advocate of SBA lending to self-storage owners for the last 7 years when self-storage first became eligible for SBA guaranteed financing. By serving on the GASSA board I hope to be able to help more self-storage owners become knowledgeable about financing options.
